1. INTRODUCTION:

This document outlines our practices and policies regarding the collection, usage, storage, and protection of your personal information. This Privacy Policy governs interactions and data transactions whilst using the Bitcoinbsc.io website and $BTCBSC token. By accessing or using the bitcoinbsc.io, you acknowledge this Privacy Policy.

2. INFORMATION COLLECTION

Upon accessing bitcoinbsc.io, we may collect information regarding:

2.1 Personal Identifiable Information (PII): While bitcoinbsc.io does not inherently collect PII such as names, addresses, or emails, there are occasions, such as communications with our support team or query submissions, where such details might be provided by the user.

2.2 Blockchain Data: Transactions and wallet addresses associated with the Binance Chain are public by nature. However, these details do not directly divulge personal identities.

2.3 Usage Data: This comprises data related to user interaction with our token, which can include the frequency and size of transactions.

3. INFORMATION UTILISATION

We use the collected data for:

3.1 Cookies: User and device information, to provide Essential, Performance and Functional features of the website.

3.2 Token Enhancement: Usage data assists us in comprehending how our community engages with our token, guiding improvements.

3.3 Communication: If users offer contact information, it may be employed for correspondence regarding their inquiries or to provide updates.

4. DATA SHARING & DISCLOSURE

4.1 Binance Chain Publicity: All transactions on the Binance Chain can be viewed publicly by anyone with access.

4.2 Regulatory Compliance: Should legal, regulatory, or court orders necessitate it, bitcoinbsc.io may be compelled to disclose certain information.

4.3 Prohibition of Personal Data Sales: We do not engage in the sale of personal data to third parties.

5. SECURITY MEASURES

Though complete digital security is elusive, bitcoinbsc.io adopts and implements reasonable measures to guard your data. It is pertinent to note that Binance Chain transactions benefit from the intrinsic security of the platform, while the security of your wallet largely depends on individual user practices.

6. DATA RETENTION

We maintain the data we gather for as long as it remains pertinent to our operations or until users request its removal. Exceptions exist where data retention becomes mandatory for genuine business or legal purposes.

7. USER RIGHTS & OPTIONS

7.1 Access Provision: Users can readily access data related to their transactions on the public blockchain.

7.2 Data Deletion: While we can amend or delete data from our primary systems, blockchain data, given its immutable nature, remains permanent.

7.3 Communication Opt-Out: Users have the liberty to decline communications or updates, albeit essential notifications will persist.

8. POLICY AMENDMENTS

Bitcoin Bsc retains the right to update the bitcoinbsc.io website and Privacy Policy. Changes will be prominently displayed on this page. If you continue to use bitcoinbsc.io, after the changes have been made, you inherently agree to the updated Privacy Policy.

9. EXTERNAL LINKS

Occasionally, operations associated with Bitcoin BSC might incorporate links to third-party services or commodities. We advise users to familiarise themselves with the privacy policies of these third-party platforms.

10. CONTACT INFORMATION

Occasionally, operations associated with Bitcoin BSC might incorporate links to third-party services or commodities. We advise users to familiarise themselves with the privacy policies of these third-party platforms.
